Chairman's Message

Most Rev. Lumen Monteiro, C.S.C., D.D

I am extremely happy to know that you are bringing out the Annual Report of JUST for the period April 2017 to March 2018. JUST is the development wing of the Diocese of Agartala, headed by the Executive Director Fr. Jeevan Kennady, SVD. It is only fitting that I begin by congratulating our Executive Director Fr. Jeevan, and thank him for the sense of direction and urgency he has been putting into JUST to make it a credible Development Organization in the Diocese of Agartala.

The Annual Report will give the reader a clear picture of the number of Programs undertaken by JUST and the tangible results that have been achieved due to the specific interventions. I mention only a few.

The Community based Rehabilitation Program aims to improve the life of persons with disability under Teliamura R.D. Block of Khowai District. "The aim of CBR is to include the excluded section of the society and treat them as equal members of the society."

FARM-NE Phase II is being implemented in 15 Villages under Hezamara R. D. Block in West Tripura District. The project which is supported by Caritas India, aims at "empowering community action leading to revival of traditional socio-economic, governance and health systems for achieving greater self-reliance of communities."

Peace Building and Conflict Transformation is a beautiful program that aims at building Peace and Harmony. "The Program gives training on building capacities on peace, life skills for conflict resolution to SHGs, School and College students." Peace clubs are formed, and this contributes to the reduction of violence among the target communities and also in the State of Tripura.

The Integrated Human Development Program (IHDP) is another program undertaken by JUST. In addition to developing women SHGs the Program also "provides various livelihood options for Income Generation Activity (IGA), which enhances the economic status of women in the society.

The 'Success Story' and 'Testimony' of some programs which are mentioned in the Annual Report further testify to the impact that JUST as an Organization is making in the State of Tripura. I hope that you dear reader will take time to scan the pages of this Annual which is embellished with photos and statistics. I am happy that JUST is able to do its part in achieving its mission.

Director's Message

Dear Friends

I am happy to present our Annual Report for the year 2017-2018. It was an eventful year for JUST. Driven by our motto "Empowerment through Self Reliance" JUST took utmost care in empowering the communities with People Lead Development Approach (PLDA). During all our interventions JUST made sure that the target community is part of it right from its conceptualization to actualization and continuation.

Special emphasis was given for Developing women entrepreneurs during the reporting year. Having trained over 1000 women in Entrepreneurship, nearly 750 women have taken up different income generation activities. In order to augment the business initiatives of women entrepreneurs, they have been linked with NABFINS for loan facilities with marginal rate of interest. Nearly 1.5 corers have been disbursed as loan to the women entrepreneur during the financial year 2017- 2018. 75 lakh worth loan have been already repaid by the women. This is the clear indication of the success of the women entrepreneurs. This initiative has not only helped the women to have enough capital for investment but also ensured the sustainability of SHGs and the income of the women.

We could also make significant contribution to Reang Tribal women and Children's development under Ganganagar R.D. Block. The women especially from interior villages in Ganganagar R.D. Block were motivated to form SHGs and take up different income generation activities like; live stock rearing, sewing, and weaving. Besides the women development, JUST also focused on the children to enhance their quality of learning. There were 12 non-formal Coaching Centers set up at different villages in Ganganagar and Bamutia R.D Blocks to provide quality education and health care to the Children. Over 600 children are attending our Coaching Classes, and provided nutrition.

As in the past, this year too JUST implemented several peace promotion programmes and mainstreaming of the PWDs and CWDs. Our commitment to ensure food security and farmers development was continued this year too. Several sensitization, programme capacity building trainings and exposure programmes were organized for the farmers. Working with the government in implementing North East Rural Livelihood Project (NERLP) is our outstanding contribution to the development of Tripura.

JUST could make relevant interventions because of the generous support of our Donors both in India and abroad. I express our gratitude to all our Donors, stake holders General Body, Governing board members, well wishers, friends and collaborators. I do gratefully remember the contribution of our Chairman Most Rev. Lumen Monteiro, Fr. Shaiju, Sr. Mary David, and all the staff members to successfully implement the development programmes during the financial year 2017 - 2018.

We have also the future plans to work towards Cancer awareness, menstrual hygiene, coordinated effort in peace promotion, safe environment and women led disaster preparedness.

Fr. Jeevan Kennady, SVD

2. Education Centers against School Drop-Out of the Indigenous Reang in Agartala, Tripura

The project aims to ensure the children from the target villages get quality primary education to improve the educational status of poor tribal Children under Ganganagar R.D. Block and reduce the gap of learning and to continue their education in formal schools. Accordingly 10 Education centers are set up at different location as a bridge schools. The children are also served nutritional food like Egg, Biscuits & Banana twice in a week in the center. After the first year of the project initiation there is a lot of improvement as most of the children have improved in their studies and they were also attending the class regularly.

7

Activity

a) Distribution of Teaching Learning Materials

350 children are distributed school stationary materials such as pen, pencil, rubber and sharpener.

b) Training to Teachers

Teachers' training was organized to build the capacities of the teachers with the external trainers.

c) Promotion of Art & games

To keep the students physically and mentally fit JUST has promoted arts and games and distributed various sports items like football and skipping rope in the entire centers.

d) Formation of Parent Teacher

8

10 PTA are active and monitoring the Education Centers in 10 respective vil-lages.

e) Children's festival

Children festival was celebrated on 15th August on the occasion of 72nd India Independence Day with full excitement in the entire center by organizing art, quiz and drawing competition.

f) Health Care to students

As a part of health care to students and promote health and hygiene among the community 350 children from 10 JUST Coaching Centers were distributed nail cutter, two bathing soap and a pair of slipper each by JUST. Apart from this the students were also given health check-up by the doctors and necessary medicines were provided to them.

g) Nutrition for students:

The children are served nutritional food like Egg, Biscuits & Banana twice in a week in the centres.

Achievement:

- The Education Centres have encouraged the drop out children and enable them to continue their studies in formal school.
- School dropout children have been reduced after the introduction of Education Centres.
- Most of the children who could not read and write are now able to read and write.
- Parents are now taking more active role in sending their children regularly in the classes.

9

Testimony

I am Mr. Janiram Reang 54 years of age and a village member of Dharmani Para under Ganganagar R.D. Block. I would first of all like to thank JUST for their kind support and wonderful initiatives for providing our children free coaching and nutritional diet in the center. Before when there was no coaching center in our village the whole village children would be engage in all sort of unwanted activities but after the introduction of this coaching center most of the children became engage with it and besides that when they started getting nutritional diet in the center children became more enthusiastic to go to the class and now no unwanted activities can be seen in the village.

This project is benefiting the whole village children a lot and also giving them lot of encouragement in their studies. Now I used to see many children with books in their hand going to the class but before children hardly go to classes. I am so much JUST for their support.

3. FACILITATING AGRICULTURAL REGENERATION MEASURES

FARM Northeast Phase-II

FARM Northeast-II is being implemented in 15 villages under Hezamara R.D Block West Tripura. The project aims at "Empowering community action leading to revival of traditional socio- economic, governance and health systems for achieving greater self-reliance of communities".

Activities and Achievements

375 farmers from 15 villages have identified traditional good farming systems which can be practiced for improving cultivation.

185 families out of 654 have increased their food sovereignty through traditional farming practices by using traditional methods -seasonal and multiple farming.

270 families out of 654 are using traditional seeds and consuming own product and thereby increased their food sovereignty.

Wabusa Farmers club planted 600 saplings of areca nut in a group for income generation.

50 Farmers got fingerlings from ICAR and they are earning by selling the fish.

3 Farmer's clubs were trained on Bamboo treatment techniques and 14 farmers have learned how to do the treatment.

Farmers have revived and strengthened traditional labour pooling system and are taking up community work in group.

Domestic violence has drastically reduced due to the efforts of the Farmer's club.

Out of 15 Farmer's clubs 12 clubs have availed loans to the tune of Rs. 4 to 5 lakhs and started their own income generation activities and improve their economic status.

Two farmer's clubs own medicinal herbal gardens and 11 farmers started the garden individually. All the farmer's club members are trained on preparation of traditional herbal medicines and out of which 20% are practicing for themselves at home and also 12 farmers have become a good practitioners.

Organic products produced by the farmers are showcased by conducting Kisan mela and the farmers are connected to the market through the mela.

Success Stories:

Mr. Kanta Debbarma, 35 years old, belongs to tripuri community who hails from Wabussa para under Hezamara R.D Block, West Tripura. He faced lots of challenges in his life. The family was fully depending on daily wages.

By seeing Yarwng Farmers club in his neighbouring village which was formed by JUST trough FARM NE project having awareness programs and trainings taking place and doing vegetable farming and different types of business and earning from it, he got motivated to do something like them by forming Farmers club. His main aim was how to overcome the family's shortcomings and difficulties. So, in the year 2014 with the help of FARM NE (JUST) team, they formed Wabusa Farmers club. He served as Secretary in the group from beginning and still continuing to serve as a Secretary. There were no income generation activities in that area. They saw that there are so many activities taking place and also different linkages with different departments like ICAR, Agriculture Department, etc were made. After forming the group Kanta Debbarma started to cultivate vegetables which they got from ICAR. He also started poultry business by taking Rs. 5,000/- as loan from his group. Every week he earns approximately Rs. 2,000/-. He shared that he would not have had these ideas of doing business and improve his family standard if he would not have got trainings and awareness programs conducted by JUST. He is thankful to FARM Staff and JUST for arranging loan facility and other capacity building trainings.

Testimony of Stakeholder:

It gives me a proud feeling to be associated with the Jana Unnayan Samiti (JUST) Agartala in various ways e.g. participating in their annual meetings, Kisan Melas, Van Mahotsava and at the same time I am also thankful for getting support in implementation of our ambitious projects and programs. Everyone including the Director, the Coordinator and the Field Animators have been kind enough to cooperate in our programs on Capacity Building Trainings and other Community Activities. JUST is also promoting organic farming of herbal plants by establishing Kabiraj Gardens with the support of Forest Research Centre or Livelihood Extension, Agartala. Our Centre is also helping in extending the low-cost vermicomposting technique.

I hope, with the help of JUST the local communities will get success in developing a community microenterprise through supply of treated bamboos by using tools and machineries provided under the NMHS project executed by our Centre.

I wish a great success for all the JUST programs for its future endeavours.

Dr. Pawan k. Kaushik
Regional Manager, FRC-LE

4. Improve the Living Standard of 600 Reang Tribal Families of Ganganagar R D Block in Dhalai

The project aims towards improving the living standards of the targeted 2,700 Reang/Bru Primitive Tribal Group (PTG) people belonging to 600 families of Ganganagar R. D. Block, Dhalai, Tripura.

The project provides opportunities for Reang/Bru tribal children to get benefits of special coaching and join the formal schools for better education. It further focuses towards mobilizing women, youths and adults to organise themselves into self-help-groups (SHGs) and form block level clusters and federation of SHGs to mobilize external resources from government, financial institutions and sponsoring agencies.

The project also provided opportunities to members of the SHGs to undergo specialised skills up-gradation trainings on chosen fields to have alternative means to earning and adopting better life-style.

Besides, it ensured extension of better and modern medical health care services not only for the targeted Reang tribal families but also for the families and people living surrounding these families in the project area.

Activity and Achievement

a) TRAINING ON INCOME GENERATION ACTIVITIES (TAILORING)

13

The women have begun to use the skill for earning during their free time and earn up to 600

b) LIVELIHOOD GRANT SUPPORT TO SHGs

Women are involved in traditional attire making for sale

c) HEALTH CAMP

9 health camps were organized at different villages which enhanced the health of the people.

d) SPECIAL COACHING FOR CHILDREN

e) SHG MEETING

SUCCESS STORY

Mrs. Banabati Reang from Batapara was a poor jhumia lady. So when she came to know about the 3 Month Tailoring Training program of JUST, she enrolled herself in the program with a new hope about her future. Three months she regularly took all the training that was provided and by the end of the program she was fully trained as she got a job and was for the first time able to support her family and add to their income. According to her this tailoring program was a silver lining which changed her life completely and finally provided her an identity and employment.

5. Integrated Human Development Program (IHDP)

The IHDP project aims to frame and develop the women SHGs in different districts of Tripura through empowering people and to be self sustained. This project also provides various livelihood options for Income Generation Activity (IGA) and to enhance the economic status for the women in the society. It also encompasses women empowerment and the dignity of people's live. Livelihood and other programme activity are not only based on the principles of economic growth, but also through the project it teaches equity and human right. It further focuses on mobilizing women from block level cluster to federation of SHG's as to mobilize external resources from government, financial institutions and sponsoring agencies.

The project also provide opportunities to member of the SHG's during the project period to undergo specialized skills up-gradation trainings in central level and in field level to have alternative means of earning and adopting better life-style.

1. SUCCESS STORY

Mrs. Sonu Mala Debbarma a 46 year old lady is from Tingaria village under Padmabil Block, Khowai District. Sonu Mala is one of the members of Khumtoya SHG Group which consist of 11 members. Sonu mala joined the SHG group in the year 2010. She was interested to learn about SHGs and acquire knowledge how does

SHG function. The field supervisor Sheela Rani Debbarma had assisted and explained how it works and function. As she comes from a poor back ground family, she used to have concern about income generation as she needs to assist in her family. She has studied up to 8th standard and has little knowledge of accounting and reading. She took a loan of 5000/- and started weaving and from this business she profited 11,000. Her loan was repaid through monthly installment. She has gained knowledge by attending different trainings and programme organized by JUST. She also availed another loan of rupees 30000/- and started poultry farm and now she is earning 5000/- per month, and she would need not depend on her husband. She also said sharing responsibility is better than depending on someone. Through her contribution in the family, they are now happy and her elder son is studying in Khowai Govt. College. She is grateful to JUST and the IHDP Project staff for playing a major role in improving her quality of life.

2. SUCCESS STORY

17

Mrs. Champa Kali Debbarma a 47 year old woman who hails from a very remote hamlet known as Jainagar, under Padmabil Block Khowai district. She and her husband were agricultural laborers living hand to mouth. Champa Kali is a very strong woman who has taken a great challenge to contribute income to her family. As she joined the SHG group Khumtoya Bodol in the year 2007. Champa Kali would know nothing before joining

the group as she attended different training from the project; she started attending regularly the Federation and Group meetings. She started saving 30 rupees per month and year by year the saving was increased to 100 rupees till date. After 5 months she decided to avail loan from group as to generate income for her family. On 16 June 2007 she had availed Rs.8, 000/- as group loan from Khumtoya Bodol, and she bought two piglets. After a year she profited 21,200/- . After repaying the loan, she received another loan of Rs.20, 000/- in the year December 2017 and started cultivation at her own marginal land, and also used a power tiller on rental basis. She repaid the loan through installment basis of 4000 rupees per month after 6 months she profited 13,000/- by selling vegetables from her farming land. Champa Kali is now approaching for another loan and has a business plan of opening a green house, where she can grow off season vegetable.

6. Peace Building and Conflict Transformation in Northeast India

The project is to contribute towards Peace, Harmony and Human Rights in collaboration with the Youths, Children's and women from different communities of Tripura. The project organizes different trainings on capacity building on peace, life skills, conflict resolution to the SHGs, school and college students. The project is strengthening the target groups for promoting peace in civil society, educational institutions and interreligious organizations for the reduction of violence in Tripura. It is being implemented in 17 Schools, 1 College 2 Youth Clubs and 6 SHG Federations

Activities

10. Training of teachers on peace, human rights, child psychology & child rights.
11. Training for religious leaders.
12. State level workshop on peace building for educators both tribal and non tribal.
13. Monthly staff reviews meetings.

Achievements

1. There are nearly 800 peace club members who are trained and monitored by JUST.

2. The animators of the peace clubs from the 17 target schools have received training on Child Psychology, Human Rights and Child Rights at JUST training hall. Now the animators are aware on the topic and how to deal with different types of child behavior.

3. The peace staff have trained 25 school peace club leaders from different target schools on conflict resolution, peer mediation and communication skills.

4. The SHG women peace clubs are taking up how to stop a conflict issues and gambling in their local areas. They are also becoming more aware about the government schemes which they are entitled to get and also sharing their knowledge among the local areas.

5. Some of the target schools have included the peace activity in their school curriculum and also the peace club is allotted separate notice board in the school so that the peace club will put peace message on the notice board every day.

6. The peace club members are aware of the dangers of using war toys, importance of inner peace and seven principles of peace. The peace club members are also creating awareness about Earth Day through planting trees in the schools and locality.

7. The college peace club members learned peace building process and the important of leadership skills and how to be successful leaders.

8. The peace project has initiated a networking for peace building in Tripura with different NGOs, CBOs, FBOs, and media people for promoting peace in the state.

Testimony

Montfort school, RaniKhamar, Agartala is just an upcoming school near the Agartala railway station. This school was established in the year 2010 with motive of giving quality education to the downtrodden people of this locality. Fr. Jeevan Kennady, the Director of JUST was kind enough to introduce peace club to our students and staff in the year 2016 with the intention of creating an awareness of peace and harmony in the society. We the management introduced 40 students with two staff members to take part very actively in this organization with support of the 'JUST' to promote peace and harmony in our society. This particular club is working so well in our school with the guidance of the staff from JUST especially for the welfare of the students. Last year we conducted many awareness program arranged by JUST peace project staff to promote peace and justice in the State. We had a 'Peace Rally' from Agartala Railway station to our school campus & it was well appreciated by the society. Through this rally we made people aware regarding peace and harmony of the society. Different awareness program and trainings were conducted every month with different topics like Human Rights, Anti War Toys, Gender and Peace, Morality and Discipline, Inner Peace, Drawing competition and End Plastic Pollution with the peace club members. We are happy and satisfied with their dedication and service towards the mission to promote peace in the State. We also would like to request to continue the program even in a larger parameter with the greater number of participants in the future for the peace club members.
