## Chairman's Message

**Most Rev. Lumen Monteiro, C.S.C., D.D**

Bishop of Agartala

The Annual Report of JUST from April 2018 to March 2019 is presented to us. I congratulate and thank the Team at JUST. The Diocese of Agartala has entrusted the social responsibility to JUST which is the development wing of the Diocese and is headed by the Executive Director Fr. Jeevan Kennady, SVD. It is only fitting that I begin by congratulating our Executive Director Fr. Jeevan, and thank him for the sense of direction and urgency that he has put into JUST to make it a credible Development Organization in the State of Tripura. The uniqueness of JUST is that it implements developmental programs in border villages where other agencies often fail to reach. This will become clear as you scan the pages of this Annual Report.

During the year gone JUST has concentrated on a number of Projects and I like to highlight a few:

Education Centers against School Dropouts of the Indigenous Reang community: This is a project that aims to ensure that the children from the target villages get quality primary education to improve the educational status of poor tribal children under Ganganagar R.D. Block and reduce the gap of learning and to continue their education in formal schools. After the first year of the project initiation there is a lot of improvement as most of the children have improved in their studies and were also attending classes regularly.

RISE Program (Reang's Integrated Self Empowerment): This project aims at bringing positive changes in the livelihood practices of local communities through promotion of Self Help Groups. The socio-cultural changes brought in by the project, in terms of livelihood practices, will have a lasting impact on the target beneficiaries even beyond the project period. It is expected that the beneficiaries will continue the livelihood practices, which directly contribute to increased family economy.

Community Based Rehabilitation (CBR): People with Disabilities (PwD) and Children with Disabilities (CwD) are vulnerable among the vulnerable. Hence JUST has initiated efforts to mainstream the PwD's and CwD's and bring them to the forefront and thus include the excluded of the society! The project aims to improve the life of persons with disability under Teliamura R.D. Block of Khowai District through Community Based Rehabilitation (CBR) strategy thereby to include the excluded section of the society. The goal of the project is to consider "People in the community especially those with disability as equal members of the community and have space and opportunities to realize their potentials".

Peace Building and Conflict Transformation in Northeast India (PACT – NEI): This is a project that contributes towards Peace, Harmony and Human Rights in collaboration with the Youth, Children and Women from different communities of Tripura. The project organizes different trainings for SHGs and School and College students on capacity building on peace, life skills, conflict resolution, etc. The project is aimed at strengthening the target groups for promoting peace in civil society, educational institutions and interreligious organizations for the reduction of violence in Tripura. Presently it is being implemented in 17 Schools, 1 College 2 Youth Clubs and 6 SHG Federations.

Support to SHGs for Organizing and Optimizing Resources to Transformation of Individuals (SFOORTI): This is a three year program that started in January 2019. The project aims at empowering and increasing the affordability of the basic needs of the people through formation of people's organization, thereby promoting a people's movement towards socio-economic independence.

JUST also places a vital role in ensuring food security by working with Farmers Groups and offering them various capacity-building trainings and necessary linkages with various financial, administrative and research institutions. JUST also offers the Youth vocational training in driving, tailoring and other trades like livelihood support, by which their day today needs are met. Children in the interior villages are provided with non-formal education and enhancing accompaniment to ensure their education by checking the dropout rate.

The 'Success Story' and 'Testimony' of some programs which are mentioned in the Annual Report further testify to the impact that JUST as an Organization is making in the State of Tripura. I extend a special word of thanks to our many benefactors from India and abroad for their financial assistance that makes it possible to implement many of the programs initiated by JUST.

## *Director's Message*

I am happy to present the Annual Report of JUST for the year 2018 – 2019.

Driven by its motto "Empowerment through self Reliance," JUST has completed yet another eventful year in its 22 years of Journey as a credible agent of change in Tripura. The uniqueness of JUST is that it reaches to the place where other agencies fail to reach. The thick forest, unmotorable roads, steep hills and slippery mountains do not stop our enthusiastic staff from scaling the hills & mountains to reach the people. The newly adopted strategy "People Led Development" has created a strong "We Feeling" among the target community, stake holders and the staff. This "We Feeling" gave a lot of impetus to JUST in all aspects especially in resource mobilization in the context of dwindling support. In spite of the challenges of mobilization resources, we went ahead with our interventions which we had planned. The Almighty blessed us with resources from unexpected corners.

Hence we were able to reach nearly a lac people either directly or indirectly during the reporting year. SHG intervention has made a number of women Entrepreneurs in the rural villages. It has not only ensured their livelihood but also status in the society. Our peace promotion activity has planted seeds of peace in the minds and hearts of young peace club members in the Schools and College. Ensuring food security and revival of traditional farming practices is yet another significant activity of the year. To establish and ensure human worth and dignity for the PwDs and CwDs a number of interventions were done.

As I write this I can say that JUST has made a difference in the lives of the hundreds and thousands in Tripura.

I am indebted to all our generous donors, well wishers, stake holders, and friends for their continued support. I wish to thank our Chairman Bishop Lumen, Fr. Shaiju, Sr. Mary David, and the staff for the guidance, support and sacrifice made to achieve the objectives of JUST during the year 2018 – 2019.

**Fr. Jeevan Kennady, SVD**

## CASE STORY

Mr. Arjun Reang was born in a poor family at Surjyamani Para under Ganganagar R.D. Block and unfortunately his mother died when he was 5 years old. His youngest sister also expired in the month of December, 2018 and at present they are 6 in the family and his grandmother was a bed ridden patient. With so many family members to feed and getting work was very difficult in the village so he has to help his father in all sorts of work. They do not even have MGNREGA, Ration card and Aadhaar card so they don't receive any government scheme as well. They are so poor that most of the time they have to go to bed without food. With great struggle he completed class-V but his father was unable to send him for further studies. Then seeing the miserable condition of this poor boy JUST Coaching teacher informed the Coordinator about the condition of this boy. The Coordinator then took immediate step and met the Headmaster of Ganganagar Higher Secondary School and talked to him for admission. In the beginning the headmaster hesitated to admit the child without any documents but after repeated request he allowed the child to get admission. Another hurdle was getting admission in the hostel. Again the hostel superintendent hesitated to accept the child in the hostel without bank account of the child.

Arjun Reang

*The Bank was also reluctant to open account without documents but JUST animator produced school certificates for the child and could manage to open bank account for the child and admit him in the hostel. The coordinator and the animators supported the child with school uniform and other materials. Now the child is attending school without any problem and their family also got some relief.*

## *Testimony:*

*I am Mr. Ranjit Reang 54 years of age and a village leader from Ganganagar R.D. Block. I am also the leader of the village. I can say that JUST has been doing a tremendous work by providing both education and nutrition to our children. This education program is really helping the children for their studies as well as their health. Children are so much encouraged and motivated to go to coaching classes through this program. I am so much thankful to JUST for their support.*

## 2. RISE - Program (Reang's Integrated Self Empowerment – Program)

### General Introduction of the Project:

*The project aims to bring positive changes in the livelihood practices of local communities through promotion of groups. The project will not impose any practice that is locally unviable. The behavioral and attitudinal changes brought in by the project among the women will empower them to actively participate in decision making process at the community level. The socio-cultural changes brought in by the project, in terms of livelihood practices, will have lasting impact on the target beneficiaries even beyond the project period. The project will significantly affect the lives of Reang tribal SHG members in their income generation activities, livelihood security and self employability. It is expected that the beneficiaries will continue the livelihood practices, which directly contribute to increase family economy.*

### Beneficiary Details:

*Direct Beneficiary - 600*

*Indirect Beneficiary - 4800*

### ACHIEVEMENTS:

- \* The women are able to save some amount of their savings through the formation of self help groups.*
- \* Women are able to come in one platform sit together and discuss all their issues.*
- \* Women have gained knowledge in marketing. Now the women are able to approach the bank and deposit their saving by their own.*
- \* Most of the women who are not able to write their name are now able to write by their own after joining SHG.*
- \* Most of the children who could not read and write are now able to read and write.*

\* The medical health camps have enabled the people to receive health check up and medicine free of cost and the rate of diseases has been reduced drastically more over many lives are saved from killer malaria and other water bone diseases .

## Success Story

Mrs. Khombirung Reang a 35 year old woman W/o- Mr. Gorathang Reang was a house wife and lives in Bata Para under Ganganagar R.D. Block in Dhalai District. Her husband is a daily labourer but due to scarcity of work he could not find work regularly and they are finding difficulty in managing the family and also supporting their children's education. It was in the year 2015 that Mrs. Segunti was motivated by JUST staff to join SHG and she joined Siphai group and started saving Rs. 50 every month. Then in the year 2017 she approached the group for loan and got Rs. 7,000/-. With the amount she started a poultry farm in the village and now she is earning Rs. 5,000/- to 6,000/- every month and repaying the loan. She is also managing the family with her income and also supporting her children's education. She said that joining SHG has changed the family's fortune and thanked JUST for all the opportunities.

## Testimony:

I am Mr. Dalongsing Reang from Ganganagar. JUST has promoted many women SHGs under Ganganagar R.D. Block and now the SHGs are functioning well. JUST has also provided opportunities for the women by providing various Income Generation Activities opportunities for their livelihood.

## 4. Facilitating Agricultural Regeneration Measures (FARM Northeast) Phase-II

### *General Introduction:*

*Facilitating Agricultural Regeneration Measures (FARM Northeast-II) is being implemented in 15 villages under Hezamara R.D Block West Tripura. The project aims at "Empowering community action leading to revival of traditional socio- economic, governance and health systems for achieving greater self-reliance of communities".*

### *Beneficiary Detail:*

*Direct Beneficiary - 215*

*Indirect Beneficiary - 5000*

### *Activities:*

*\* Promotion of community work by the farmers as per their needs.*

*\* Capacity Building & Strengthening of good traditional governance systems in the village and promoting gender balance in village institutions.*

*\* Awareness, Identification/documentation of Climate Change adaptation with agriculture.*

*\* Community level meeting for facilitating community action on promoting inclusive and participatory decision making process in village.*

*\* Kisan Mela for showcasing farm and other indigenous products.*

*\* 100 Farmers were taken for Tripura Krishi Unnati Mela (TKUM) 2019 at ICAR on March 2019.*

### **Other Activities:**

- \* *Linking farmers with ICAR for availing different types of seeds.*
- \* *Follow up visits on Livelihood Distributed, NABFINS Loan, Water Pump Distributed, Green House, etc*
- \* *Linking Farmers with different companies for market linkage for bamboo business.*

### **Achievements:**

- \* *360 families out of 654 targeted families are practicing the traditional farming systems which are appropriate in their local context.*
- \* *185 families out of 654 have increased their food sovereignty through traditional farming practices (by using traditional methods - seasonal and multiple farming).*
- \* *270 families out of 654 are using traditional seeds and consuming own product and thereby increased their food sovereignty.*
- \* *11 families have taken up growing medicinal plants and 4 villages have initiated to plant collectively in a common land.*

### **Community Action by Farmer's Club:**

*Mr. Sankar Debbarma, Secretary of Hamari Farmers club in their monthly meeting in the month of January 2019 suggested for a community action to clean the road from Radhanagar para to Mohandas para. During the monthly meeting the group decided to invite their fellow farmers from Dumrakarik to help them on cleaning the road. The road was narrow and full of bushes that made difficult for the people especially the school going children to cross the road, which made the groups to take action on it. So on 17th January 2019 2 farmers' clubs cleaned the road and now the school students and the villagers are able to use the road safely.*

### 3 FCs working on Treated Bamboo Houses:

*After having been trained with the help of FRCLE, 33 JUST farmers Club members from 3 different villages are working hard to construct low cost houses with treated bamboo. Out of 4 under construction houses 3 are completed and the last one is expected to be completed by end of May 2019. Through people's participation the low cost bamboo houses are slowly becoming popular in the project area.*

### Testimony of Stakeholder:

*I am Dr. Gulab Singh Yadav (Agronomy Scientist) posted at Indian Council of Agricultural Research (ICAR) Lembucherra Tripura West. ICAR has been working in collaboration with JUST since 2013. I would say that ICAR has been extending help in whatever possible way it could help the farmers under Hezamara R.D Block through JUST. I on behalf of ICAR would like to share that ICAR has been working for the development of the farmers for decades. Since the time JUST approached ICAR, we are able to have more access to the larger part of the villages under Hezamara R.D Block and also have a direct linkage with the farmers. ICAR with the collaboration of JUST have provided different trainings and workshops for the farmers under Hezamara R.D Block. We have also provided lots of resources through which farmers too can help themselves in increasing their products. We, on our side are also trying to help the poor tribal farmers by giving them piglets, poultry, goatery, fruit saplings, vegetable seeds and also providing Bio-fertilizers for creating greater option for income generation. It is good that JUST is providing organic cultivation and we too support JUST in its endeavour to help the farmer towards sustainable development.*

9. Some of the target schools have included the peace activity in their school curriculum and also the peace club is allotted separate notice board in the schools so that the peace club could put up peace message on the notice board every day.

### *Testimony*

*It has been a year since I have taken charge as peace club Animator along with my co-animator. During a year, my association with the peace club has been significant and thought-provoking. My association with the students of our School is worth in terms of animating them and most importantly compelling the students to become aware about the current scenario of the world through different peace activities. Be it about the Environment, Child-Trafficking and Issues on Child Labour etc. In collaboration with the Peace Club Coordinators, we on behalf of the School Community have taken certain initiatives such as planting of trees in the School campus, Posters on the theme ' Save Our Environment' and Open Forum discussions about the necessity of peace headed by the Coordinators. With these many activities being implemented, it is noteworthy to say that our students have become conscious about the need of peace and the responsibilities they need to take as peace club members and it is evident from their anticipation. As such, peace club is a platform for the students wherein they can be the source of promoting peace. It could be from their little deeds or greater deeds. Lastly, when it comes to the 'JUST' Organization, I think it is pertinent to say that 'JUST' is doing a tremendous job in reaching out the students of every nook and corners of different Schools. The efforts put in by the people of JUST specially the Coordinators of peace club would obviously help the students in becoming the better individuals.*

## 6. Tobacco Control Program

### Introduction:

*JUST in collaboration with National Tobacco Control Program under District Health and Family Society, Dhalai District Tripura organized Awareness Program on Tobacco Control in 5 English Medium Schools and 5 villages under Dhalai District. This program has created awareness among the students and parents on the ill effects of use of tobacco and its importance and needs to control the use of tobacco*

## 7. JUST Agro Farm

*Agro Farm at Damdamia managed by JUST has set an example by producing vegetables and fruits through organic farming process. This farm is basically set up to train and encourage people to produce crops through organic process. Many SHGs have been trained and they have adopted organic farming process in their Agro practices. Integrated farming is practiced with a mini cattle farm, fishery, livestock rearing, organic vegetable and varieties of Bamboos, Poultry and Orchards.*

## 8. Support to SHGs for Organizing and Optimizing Resources to Transformation of Individuals (SFOORTI)

### JUST initiates peace building

Times News  
Agartala, May 25: Amidst thriving consumerism and growing socio-economic tension, Jana Unnayan Samiti Tripura (JUST) organized a unique State level Networking meeting for fostering peace at Durjoyanagar in Agartala today. Members of NGOs, CBOs, FBOs and opinion leaders participated in the meeting and shared their views for peace building in Tripura. Fr. Jeevan Kennedy, Director of JUST delivered welcome address in the meeting. The State level networking meeting was inaugurated by Most Rev. Lumen Monteiro Bishop of Agartala, chairman of JUST and Caritas India. Members of 14 NGOs took part in the meeting. They presented and introduced about their organization and activities during the meeting. There were three external observers for the meeting, who gave back the feedback after the presentation. The three external observers were Jaydip Chakrabarti, Junior Editor of Tripura Times, Prof. Dr. Sr. Marina B.S Holy Cross College Agartala and Prof. Vincent from Loyola College Chennai. All the participating NGOs have decided to extend networking with more NGOs under forming a body to be effective agents in Tripura for peace building.

### Plantation festival held

Times News

Agartala, July 10: A plantation festival was held at Bargashia ground at Barkathal under Hezamara block yesterday. The plantation festival with the theme- "Let us celebrate Plantation as a Festival, a Green festival for Humanity - During Every Rainy Season - Across the Globe" was jointly initiated by Development Initiative for Sustainable Advancement (DISA), Forest Research Center for Livelihood Extension (FR-LE), Jana Unnayan Samiti Tripura (JUST) and Jana Unnayan Samiti Tripura (JUST). A number of people from

three villages- Bargashia, Khamparpara and Wabusa joined the plantation festival. More than 4000 saplings of people's choice were collected from various contributors and distributed among the villagers. The villagers indicated the available land for planting trees and received the saplings for raising large block plantation. Much emphasis is being given for homestead plantations, where the saplings provided were fruit bearing ones. One of the community members, a traditional healer, is supported in raising Herbal Garden by planting the most important medicinal plants

used in traditional medicines. As informed and observed, the school campus and trees have been much affected by high speed winds. It was decided to raise a Bamboo based multipurpose windbreak on its boundary by planting closure spacing with Bamboo, Mahogany and few fruit plants. It would be much effective to protect the Campus from the high speed winds. Few community members opted for Block Plantation of Lemon, Mango and bamboos. Considering next year requirements, small saplings were planted in large poly bags for developing them into Tall Plants. MLA Ashis Das participated with the community in plantation, sports and cultural events and encouraged people. Few Senior citizens from Agartala reached the plantation festival venue after watching live from Facebook. A number of school kids, women and visitors from Agartala International School also participated in the Plantation. The participants took pledge to conserve nature and uphold humanity.
