# CHAIRMAN'S MESSAGE

Most Rev. Lumen Monteiro, C.S.C., D.D.

*Bishop of Agartala*

Bishop's House, Airport Road, Durjoyanagar P.O., Agartala 799 009, TRIPURA, INDIA.

We have a new Executive Director at JUST in the person of Fr. Bosco Lathees, who took charge from 1<sup>st</sup> May, 2020. I welcome him to this new position in our Organization and wish him the very best. Simultaneously I take this opportunity to express my heartfelt gratitude to our diligent, energetic and hard-working former Executive Director Fr. Jeevan Kennady, SVD, who left JUST after his dedicated service for seven years. I am grateful to him and wish him well in his new assignment.

The Annual Report is presented to our Readers and Partners highlighting the several programs and interventions that were conducted during the reporting year. The Annual Report is a tangible way of making alive the activities of the Organization to our partners and readers. As you will read, JUST works in a wide variety of programs and initiatives within the precincts of the State of Tripura. I mention a few of the programs that were conducted during the reporting year: Facilitating Agricultural Regeneration Measures [FARM-Northeast Phase-III], Support for SHGs for Organizing and Optimizing Resources to Transformation of Individuals [SFOORTI], Community Based Rehabilitation [CBR], Inclusive Development of PwDs and CwDs, Peace Building and Conflict Resolution to the SHGs, Reang's Integrated Self-Empowerment [RISE], SMILE Education and SMILE Nutrition, etc. The list is ongoing. Special mention must be made to the extensive distribution of 'dry rations' to hundreds of poor families during the COVID-19 lockdown, at times networking with other NGO Groups.

JUST is the social development organization of the Catholic Diocese of Agartala and has been involved in a verity of development initiatives in Tripura for the past 23 years. JUST works within the framework of the vision and mission, namely self-reliance through empowerment, networking with like-minded NGOs, to help build a better society. It also works within the framework of the Catholic Social Teaching which emphasizes that we work for those on the peripheries of society.

The goal of JUST is not just rendering services to the poor but ensuring that the poor define and design their rights which are relevant for their dignified life and create systems to access them sufficiently in time with quality. This demands a critical engagement of the people's institutions with the governance structures at different levels. JUST is committed to this task.

For any Organization to run smoothly we need the support of many hands. Our Coordinators, the field Staff, Office Staff and support Staff keep doing their best, and to each of them I say, THANK YOU and God bless.

## DEAR FRIENDS AND PARTNERS IN SERVICE FOR THE PEOPLE OF TRIPURA,

I am glad to present you the Annual Report of JUST for the year 2019 – 2020. This Annual Report is a visible sign of the growth JUST's achievements in Tripura. JUST celebrates 23rd year of its service for the people of Tripura and I am happy to be part of it as the new Director.

The human species has encountered with the deadly virus COVID-19, in this era especially at the very end of this financial year. It has not left anyone been untouched directly or indirectly rather it has turned the whole world upside down and made a great impact on the human history. In the midst of suffering, there was a beckon-call for me to shoulder the responsibility as a leader of the organization.

I would sincerely thank the Chairman, Most Rev. Lumen Monteiro CSC, DD, for his confidence and trust that he has placed in me to take the organization onward with its glorious name and services in the state of Tripura. I express my gratitude to all my predecessors who have imprinted their foot in every sphere of the organization to rise up to the height of its noble services and motivating me to venture fully in the social service wing of the diocese I am in-debt to their selfless and remarkable contributions to JUST during their tenures and constantly encourage us for carrying out the organizational activities and programmes through various project activities. Here, I feel that it is my duty and responsibility to understand the Motto and the Vision of JUST with its horizon in new perspectives of the time.

While I was preparing the Annual Report, I could envision the growth and achievements of the organization with scopes and bright future through different projects, guided by its motto, 'Empowerment through Self-Reliance' and the new 'People Led Development Approach'. In fact, I could see the tangible growth and service of JUST by implementing of various projects such as Farmers Group, SHGs, Peace Clubs, Children, Women Groups, CwDs and PwDs with whom JUST works

and promotes social welfare activities in reality. The tireless effort of JUST is visible among the beneficiaries who are nearly 4,000 direct beneficiaries and 33,000 indirect beneficiaries and they have gained through JUST during the financial year.

At this juncture, I would extend my gratitude to all my predecessors of the organization (JUST) who have toiled day and night to foresee the organization to the peak of its height. Particularly, I thank Fr. Jeevan Kennady SVD, my immediate predecessor who has selflessly served the organization and made enormous contributions in the last seven years as an efficient Director. I sincerely appreciate and thank Sr. Mary David FS, for her remarkable service at JUST in the recent past. Here, I warmly welcome Sr. Jolly FS, to be part of the organization and best wishes for rendering her services to JUST.

It is my pleasure to thank Fr. Shaiju CSC, the Treasurer of JUST, for his meticulous financial guidance and supports. I would express my gratitude to all the Governing Board members for their support and valuable suggestions for the growth of the organization. Without fail, I must thank all the Coordinators, Field Staff, Domestic Staff and Office Staff of the JUST, who played a vital role day-in and day-out for involving and implementing of projects' activities during the entire financial year. I extend my gratitude to all the partners, donors, benefactors, well wishers and various departments for their contributions towards the welfare of the organization in the year 2019 – 2020.
