## *From Director's Desk.....*

*Dear Friends*

*I am happy to present you our first quarterly newsletter of the new year 2019. It was an eventful quarter with a lot of activities.*

*A new project titled SFOORTI has been launched. The project focuses on increasing the socio-economic status of the SHG women through various capacity building trainings coupled with providing livelihood options. Women's day celebration, Kisan Mela to enhance the farmers sustainable income. Skill building training on peace promotion for the peace club members and animators, certification camp and distribution of aids and appliances for the PwDS and CwDS, livelihood support to nearly 100 economically backward women towards ensuring steady income of the women were the highlights of the quarters.*

*As the first Nor'wester storm on the last day of the quarter has brought down the roofs of thousands of families and left them to take refuge in the relief camps, we have a lot to do for the relief and rehabilitation in the coming days. We have been assessing the situation and in touch with some donors to support the relief and rehabilitation. We are also looking for more support for the relief work. You can be one of them to join us to bring relief for the storm affected families.*

## Community Action by Farmer's Club

Mr. Sankar Debbarma, Secretary of Hamari Farmers club in their monthly meeting in the month of January 2019 expressed a need for a community action to clean the road from Radhanagar para to Mohandas para. During the monthly meeting the group decided to invite their fellow farmers from Dumrakarik to help them on cleaning the road. The road was narrow and full of bushes that made difficult for the people especially the school going children to cross the road, which made the groups to take action on it. So on 17th January 2019 2 farmers' clubs cleaned the road and now the school students and the villagers are able to use the road safely.
