From Director’s Desk...........

Dear Friends

At the outset I would like to wish you all very happy and prosperous New Year 2020. We are happy to share with you the December quarter activities and achievements of JUST.

There were number of capacity building trainings for the School peace club members held at 17 target schools, beside a couple of trainings for the youth peace club members. One of the outstanding programs of the quarter was the Exposure Programme for the SHG women from Ganganagar R. D. block under Dhalai District. These women belong to Reang tribe, hailing from boarder villages under Ganganagar area. Most of these women visited Agarama for the first time in life. The high rise buildings, traffic hit roads, Flood lights in the streets were matter of wonder for them one side while cause of fear another side as they were witnessing it for the first time. Some women even refused to alight the bus to cross the road fearing the speeding vehicles.

The women went around visiting Other SHG Federations under JUST for inter learning. It was a great opportunity for these Reang women from the rural villages to be exposed to new reality and get motivated.

Study materials and health kits were distributed to over 450 children in our non-formal coaching centers supported by KMW and Smile Foundation. We ended the quarter with annual gathering and Pre-Christmas celebration at our head office. It was a time of sharing our joy and happiness with the staff, stake holders and well wishers.

We are planning a lot of activities in the coming quarter too, at the same time looking forward to your continued support.

I wish to thank all our collaborators, Donors and stake holders for the generous support.
